Subject index*

A

Abdominal injuries
Physical abuse of children: recognition and reporting (Kelley). 1988;14:82-90

Abortion
Miscarriage: the parents' point of view (Hutti). 1988; 14:367-8
Perinatal loss: assisting parents to cope (Hutti). 1988; 14:338-41

Abstracts
Research abstracts. 1988;14:112-4, 251-2, 318-9, 383-6

Accidents, traffic
Director of nursing at . . . the race track (Miller). 1988; 14:194-6
Emergency services at the Indy 500 (Miller and Cordell). 1988;14:164-74
Overlooked gunshot wound in a motor vehicle accident victim: clinical and legal risks (Atkins et al). 1988; 14:142-4
Suicide by vehicular crash: recognition and early intervention (Howard and Monhaut). 1988;14:230-3

Acidosis, diabetic
Management of pediatric diabetic ketoacidosis (Peeves). 1988;14:115-7

Adaptation, psychological
Miscarriage: the parents' point of view (Hutti). 1988; 14:367-8
Perinatal loss: assisting parents to cope (Hutti). 1988; 14:338-41
"Please don't do anything" (Atkin). 1988;14:396

Aged, 80 and over
The preservation of dignity (Donatelli). 1988;14:139-40 (President's message)

Airway obstruction
The ABCs of pediatric triage (Thomas). 1988;14: 154-9
Basic pediatric cardiopulmonary resuscitation (CPR) update (Fredrickson). 1988;14:76-81
Epiglottitis: ED nursing management (Nemes et al). 1988;14:70-5

Alcoholism
Emergency nurses honored for fight against teenage drunk driving. 1988;14:128

Alkalosis, respiratory
Hyperventilation syndrome (Roberts). 1988;14:175-9

Alopecia
An underweight infant with localized alopecia (Molitor). 1988;14:392

American Medical Association
The American Medical Association's registered care technologist proposal: old wine in new bottles (Lenehan). 1988;14:268-71 (Editorial)

Anesthesia, local
Effectiveness of intradermally injected lidocaine hydrochloride as a local anesthetic for intravenous catheter insertion (Dickey). 1988;14:160-3

Anterior compartment syndrome
Compartment syndrome (Proehl). 1988;14:283-92

Arm, injuries
A twenty-month-old infant with a one-day inability to use one arm (Molitor). 1988;14:260
Compartment syndrome (Proehl). 1988;14:283-92

Atrial fibrillation
An unusual case of syncope (Molitor). 1988;14:48-9

Audiovisual aids
Preparing visual material for your presentations (Sheehy). 1988;14:41-3

Audiovisual reviews
Audiovisual reviews. 1988;14:30-1, 101-2, 180-2, 234-6, 305-6, 369-71

Automobile driving
Director of nursing at . . . the race track (Miller). 1988;14:194-6
Emergency services at the Indy 500 (Miller and Cordell). 1988;14:164-74

B

Bacterial infections
Epiglottitis: ED nursing management (Nemes et al). 1988; 14:70-5

Behavioral issues
Behavioral issues. 1988;14:230-3, 302-4, 367-8

Body temperature
Diagnosis of the child with fever in the emergency department (Levin et al). 1988;14:359-66

Body weight, infant
An underweight infant with localized alopecia (Molitor). 1988;14:392

Bone marrow examination
Intraosseous infusion: rapid vascular access for critically ill or injured infants and children (Manley et al). 1988; 14:63-9

Bones, blood supply
Intraosseous infusion: rapid vascular access for critically ill or injured infants and children (Manley et al). 1988; 14:63-9

Book reviews
Book reviews. 1988;14:30-1, 101-2, 180-2, 234-6, 305-6, 369-71

Bradycardia
An adult male with spinal cord injury and hypotension and bradycardia (Molitor). 1988;14:324-5

*January/February, pp 1-52; March/April, pp 53-138; May/June, pp 139-198; July/August, pp 199-262; September/October, pp 263-330; November/December, pp 331-410.

Burns
Acute burn care: an update (Mikhail). 1988;14:9-18
Physical abuse of children: recognition and reporting (Kelley). 1988;14:82-90

C

California
The Los Angeles pediatric emergency care system (Henderson). 1988;14:96-100
Cardiac arrest; *see* **Heart arrest**
Cardiopulmonary arrest; *see* **Heart arrest**
Cardiopulmonary resuscitation; *see* **Resuscitation**
Career choice
An emergency nursing advocate in the public sector (Burgess). 1988;14:393-5
Sharing the excitement and rewards (Donatelli). 1988; 14:57-8 (President's message)
Case review
Case review. 1988;14:5-8, 142-4, 203-5, 277-9, 334-7
Catheters, indwelling
Fever, hip pain, and hematuria in a patient with a Hickman catheter (Molitor). 1988;14:192-3
Catheterization
Effectiveness of intradermally injected lidocaine hydrochloride as a local anesthetic for intravenous catheter insertion (Dickey). 1988;14:160-3
Simplifying nursing management of pediatric airways and intravenous infusions (Morrow). 1988;14:103-6
Chest pain
Cocaine-induced chest pain and myocardial ischemia (Weaver). 1988;14:203-5
t-PA therapy in acute myocardial infarction (Giebel et al). 1988;14:206-13
Child; *see* **Pediatrics**
Child abuse
Physical abuse of children: recognition and reporting (Kelley). 1988;14:82-90
Reporting child abuse: duties and dangers (George and Quattrone). 1988;14:34-5
Suspected abuse and neglect of children (Scherb). 1988; 14:44-7
An underweight infant with localized alopecia (Molitor). 1988;14:392
Child health services; *see also* **Pediatrics**
A fresh look at pediatric emergency nursing (Lenehan). 1988;14:53-6 (Editorial)
Clinical notebook
Clinical notebook. 1988;14:32-3, 103-6, 237-9, 307-9
Clothing
Dress codes in the emergency department (George). 1988;14:310
Cocaine
Cocaine-induced chest pain and myocardial ischemia (Weaver). 1988;14:203-5
Cold
Cardiopulmonary arrest after cold water immersion and hypothermia (Heller and Salata). 1988;14:5-8
Communication
"The inquisition" (Rymut). 1988;14:329-30
Compartment syndromes
Compartment syndrome (Proehl). 1988;14:283-92
Compliance
Improving compliance with referrals from the emergency department (Jones et al). 1988;14:27-9
Coping behavior; *see* **Adaptation, psychological**
Corrections
Basic pediatric cardiopulmonary resuscitation (CPR) update (Fredrickson) (1988;14:76-81). 1988;14:193 (Correction)
Reimbursement realities and the triage nurse's role (Carroll) (1988;14:217-24). 1988;14:395 (Correction)
Correspondence; *see* **Letters**
Cricoid cartilage, surgery
Epiglottitis: ED nursing management (Nemes et al). 1988;14:70-5
Critical care
Intraosseous infusion: rapid vascular access for critically ill or injured infants and children (Manley et al). 1988; 14:63-9

D

Death, sudden
Then I close my eyes (Mizro). 1988;14:50-2
Unexpected pediatric death in the emergency department: supporting the family (Korth). 1988;14:302-4
Diabetes mellitus, insulin-dependent
Management of pediatric diabetic ketoacidosis (Reeves). 1988;14:115-7
Diagnosis
Diagnosis of the child with fever in the emergency department (Levin et al). 1988;14:359-66
Diagnostic errors
Overlooked gunshot wound in a motor vehicle accident victim: clinical and legal risks (Atkins et al). 1988; 14:142-4
Disaster planning
Moulage: setting up a basic kit (Hindman). 1988;14: 316-7
Disasters
Multivictim emergency care: a case study of organophosphate poisoning in sixty-seven children (Cyr). 1988; 14:277-9

Disasters—cont'd
Sheltering and response to evacuation during Hurricane Elena (Brown et al). 1988;14:23-6
Dress code; *see* **Clothing**
Drug abuse; *see* **Substance abuse**
Drug storage
Pediatric immediate care cart (Wayland and Rowland). 1988;14:91-5
Drug update
Drug update. 1988;14:240-1

E

Editorials
Editorials. 1988;14:53-6, 268-71
Education, nursing, continuing; *see also* **Teaching**
A cooperative approach to inservice education for isolated rural hospitals (Avery). 1988;14:293-5
A preceptorship program for rural emergency nurses (Mossakowski). 1988;14:280-2
Switching places: what we might learn from rural emergency nurses (Donatelli). 1988;14:272-3 (President's message)
Embolism
Fever, hip pain, and hematuria in a patient with a Hickman catheter (Molitor). 1988;14:192-3
Emergency medical services, child
California EMSC project establishes guidelines for rural pediatric emergency care (Ness). 1988;14:125-6
Emergency medical services system for children begins implementation in Santa Cruz County (Ward). 1988;14:124-5
Grant awarded to California group to develop pediatric emergency care curriculum for rural nurses and physicians (Henderson). 1988;14:126-7
Maine awarded emergency medical services for children grant for 1-year demonstration project (Gagnon). 1988;14:127
The pediatric liaison nurse: a new specialist in the emergency department (Fredrickson). 1988;14:129-30
Emergency medical services, organization and administration
The Los Angeles pediatric emergency care system (Henderson). 1988;14:96-100
Emergency medical technicians
One hospital's experience with guidelines for improved collaboration between emergency medical technicians, nurses, and physicians (Coburn). 1988;14:19-22
Emergency Nurses Association
Current trends in ED nursing shortage: ENA survey results. 1988;14:133-6
Emergency Nurses Association—cont'd
ENA Pediatric Special Interest Group networking sessions held during 1987 Scientific Assembly (Bernardo). 1988;14:124
Piece by piece: ENA's patchwork quilt of accomplishment (Donatelli). 1988;14:331 (President's message)
Epiglottitis
Epiglottitis: ED nursing management (Nemes et al). 1988;14:70-5
Equipment and supplies
Emergency services at the Indy 500 (Miller and Cordell). 1988;14:164-74
Pediatric immediate care cart (Wayland and Rowland). 1988;14:91-5
Evacuation
Sheltering and response to evacuation during Hurricane Elena (Brown et al). 1988;14:23-6

F

Failure to thrive
An underweight infant with localized alopecia (Molitor). 1988;14:392
Family
Like family (Jezierski). 1988;14:261-2
Unexpected pediatric death in the emergency department: supporting the family (Korth). 1988;14:302-4
Fetal death
Perinatal loss: assisting parents to cope (Hutti). 1988;14:338-41
"Please don't do anything" (Atkin). 1988;14:396
Fever
A child with fever and purpura (Molitor). 1988;14:118-9
Diagnosis of the child with fever in the emergency department (Levin et al). 1988;14:359-66
Fever, hip pain, and hematuria in a patient with a Hickman catheter (Molitor). 1988;14:192-3
First aid
Director of nursing at . . . the race track (Miller). 1988;14:194-6
Emergency services at the Indy 500 (Miller and Cordell). 1988;14:164-74
Forecasting
Research in trauma nursing: state of the art and future directions (Smeltzer). 1988;14:145-53

G

Grief
Miscarriage: the parents' point of view (Hutti). 1988;14:367-8
Perinatal loss: assisting parents to cope (Hutti). 1988;14:338-41
Guest editorials
Guest editorials. 1988;14:59-60, 263-7, 332-3

H

Hair loss; *see* **Alopecia**

Hand injuries
Compartment syndrome (Proehl). 1988;14:283-92

Head injuries
Physical abuse of children: recognition and reporting (Kelley). 1988;14:82-90
What to do until the neurosurgeon arrives (Stewart-Amidei). 1988;14:296-301

Health maintenance organizations
Reimbursement realities and the triage nurse's role (Carroll). 1988;14:217-24

Heart arrest
Cardiopulmonary arrest after cold water immersion and hypothermia (Heller and Salata). 1988;14:5-8
A code on the blue (McGregor). 1988;14:197-8

Heart arrest, child
Basic pediatric cardiopulmonary resuscitation (CPR) update (Fredrickson). 1988;14:76-81
Pediatric code team response to the emergency department: a collaborative effort (Riddle et al). 1988;14:342-5
Systematic orientation of emergency nurses to pediatric arrests (Sherar and Cooper). 1988;14:346-51

Hematuria
Fever, hip pain, and hematuria in a patient with a Hickman catheter (Molitor). 1988;14:192-3

Hip, microbiology
Fever, hip pain, and hematuria in a patient with a Hickman catheter (Molitor). 1988;14:192-3

Homeless persons
Sheltering and response to evacuation during Hurricane Elena (Brown et al). 1988;14:23-6

Hospitals, pediatric
Listing of children's hospitals with emergency departments in the United States (Also listed with each hospital is the ED nurse manager). 1988;14:130-1

Hyperventilation
Hyperventilation syndrome (Roberts). 1988;14:175-9

Hypotension
An adult male with spinal cord injury and hypotension and bradycardia (Molitor). 1988;14:324-5

Hypothermia
Cardiopulmonary arrest after cold water immersion and hypothermia (Heller and Salata). 1988;14:5-8

I

Immersion
Cardiopulmonary arrest after cold water immersion and hypothermia (Heller and Salata). 1988;14:5-8

Impressions
Impressions. 1988;14:50-2, 123, 197-8, 261-2, 329-30, 396

Indy 500
Director of nursing at . . . the race track (Miller). 1988;14:194-6
Emergency services at the Indy 500 (Miller and Cordell). 1988;14:164-74

Infant, growth; *see also* **Pediatrics**
An underweight infant with localized alopecia (Molitor). 1988;14:392

Infant, newborn, mortality; *see also* **Pediatrics**
Perinatal loss: assisting parents to cope (Hutti). 1988;14:338-41

Infant health services; *see* **Child health services**

Infusion
Intraosseous infusion: rapid vascular access for critically ill or injured infants and children (Manley et al). 1988;14:63-9
Simplifying nursing management of pediatric airways and intravenous infusions (Morrow). 1988;14:103-6

Injections, intradermal
Effectiveness of intradermally injected lidocaine hydrochloride as a local anesthetic for intravenous catheter insertion (Dickey). 1988;14:160-3

Insecticides, organophosphate
Multivictim emergency care: a case study of organophosphate poisoning in sixty-seven children (Cyr). 1988;14:277-9

Insects
Tick removal (Halpern). 1988;14:307-9

Inservice training
A cooperative approach to inservice education for isolated rural hospitals (Avery). 1988;14:293-5

Insurance, health, reimbursement
Reimbursement realities and the triage nurse's role (Carroll). 1988;14:217-24

Insurance, liability
Emergency nurses' knowledge of legal liability (Taylor et al). 1988;14:225-9
Malpractice insurance (George and Quattrone). 1988;14:242-3

Interpersonal relations
Like family (Jezierski). 1988;14:261-2

Intubation
Simplifying nursing management of pediatric airways and intravenous infusions (Morrow). 1988;14:103-6

Ischemia
Cocaine-induced chest pain and myocardial ischemia (Weaver). 1988;14:203-5

J

Journal of Emergency Nursing
Piece by piece: ENA's patchwork quilt of accomplishment (Donatelli). 1988;14:331 (President's message)

K

Ketosis, diabetic
Management of pediatric diabetic ketoacidosis (Reeves). 1988;14:115-7

L

Law and emergency nurses
Law and emergency nurses. 1988;14:34-5, 183-4, 242-3, 310, 372-3

Lawsuits; *see* **Malpractice**

Leg injuries
Compartment syndrome (Proehl). 1988;14:283-92

Letters
Dispensing medications in the emergency department (Pinney). 1988;14:3
Emergency nurses seek critical care differential information (Harrison). 1988;14:62
Importance of membership in nursing organizations underscored (Wabschall). 1988;14:3
Information on effective ED patient flow systems sought (Baird). 1988;14:201
Information sought on the use of nursing diagnosis (Duran). 1988;14:4
Interventions for flail chest questioned (Holland) (Letter); (Gough and Allison) (Reply). 1988;14:201-2
Level II center trauma nurse coordinator seeks similar coordinators for networking (Newberry). 1988;14:202
More on cocaine-induced myocardial ischemia (Tibbetts). 1988;14:275
More on intraosseous infusion (Shea). 1988;14:275-6
More on Salvation Army international relief efforts (Phillips). 1988;14:141
National flight certification program offered (Algie). 1988;14:3
Praise for the Nurse Educator column and one nurse educator's experience with mini-inservice classes (Heuer). 1988;14:274-5
Proposed Illinois legislation short-sighted and misdirected (Plonczynski). 1988;14:274
Provision of emergency care to HMO subscribers: sharing solutions to the problem (Miller). 1988;14:61
Specialty teams in flight programs (Englund) (Letter); (Lenehan) (Reply). 1988;14:4
Tar removal in the emergency department (Green). 1988;14:276
Torso warming for trauma patients (Roesch and Fitzgerald). 1988;14:62
Triage decisions clarified (Baker) (Letter); (Molitor) (Reply). 1988;14:61-62

Lidocaine
Effectiveness of intradermally injected lidocaine hydrochloride as a local anesthetic for intravenous catheter insertion (Dickey). 1988;14:160-3

Life support care
Basic pediatric cardiopulmonary resuscitation (CPR) update (Fredrickson). 1988;14:76-81
The emergency nurse as a first responder (George and Quattrone). 1988;14:372-3

Los Angeles
The Los Angeles pediatric emergency care system (Henderson). 1988;14:96-100

M

Malpractice
The emergency nurse as a first responder (George and Quattrone). 1988;14:372-3
Emergency nurses' knowledge of legal liability (Taylor et al). 1988;14:225-9
Malpractice insurance (George and Quattrone). 1988;14:242-3
Overlooked gunshot wound in a motor vehicle accident victim: clinical and legal risks (Atkins et al). 1988;14:142-4
Reporting child abuse: duties and dangers (George and Quattrone). 1988;14:34-5
Standardized care plans: legal implications (George and Quattrone). 1988;14:183-4

Managers ask and answer
Managers ask and answer. 1988;14:36-8, 107-9, 185-7, 244-7, 311-4, 374-6

McClure, Jessica
After the rescue: ED nurses reflect on Jessica McClure and the miracle in Midland, Texas (Jezierski). 1988;14:120-2

Miscarriage; *see* **Abortion**

Mobile health units
Pediatric immediate care cart (Wayland and Rowland). 1988;14:91-5

Models, anatomic
The application of moulage (Hindman). 1988;14:379-82
Moulage: setting up a basic kit (Hindman). 1988;14:316-7

Mortality and Morbidity Weekly Report file
The *Mortality and Morbidity Weekly Report* file. 1988;14:39-40, 110-1, 188-9, 248-50, 315, 377-8

Mothers
The brotherhood of motherhood (Moore). 1988;14:123

Moulages; *see* **Models, anatomic**

Munchausen syndrome
Physical abuse of children: recognition and reporting (Kelley). 1988;14:82-90

Myocardial diseases
Cocaine-induced chest pain and myocardial ischemia (Weaver). 1988;14:203-5

Myocardial infarction
The acute myocardial infarction patient receiving tissue-type plasminogen activator (Erickson and Kleven). 1988;14:253-9
A 40-year-old patient with an evolving extensive inferior MI treated with t-PA thrombolytic therapy (Denke). 1988;14:334-7
t-PA therapy in acute myocardial infarction (Giebel et al). 1988;14:206-13

N

Natural disasters
Sheltering and response to evacuation during Hurricane Elena (Brown et al). 1988;14:23-6
Neonatal death; *see* **Infant, newborn, mortality**
Neurologic examination
The ABCs of pediatric triage (Thomas). 1988;14:154-9
What to do until the neurosurgeon arrives (Stewart-Amidei). 1988;14:296-301
Nurse educator
Nurse educator. 1988;14:41-3, 190-1, 316-7, 379-82
Nursemaid's elbow; *see* **Arm injuries**
Nursing records
"The inquisition" (Rymut). 1988;14:329-30
Nursing staff
Are nurses their own worst enemies? (Parker). 1988; 14:332-3 (Guest editorial)
Better days to come (Donatelli). 1988;14:199-200 (President's message)
Determining the required nurse staffing of an emergency department (Helmer et al). 1988;14:352-8
Don't let the light go out (Donatelli). 1988;14:1-2 (President's message)
Sharing the excitement and rewards (Donatelli). 1988; 14:57-8 (President's message)
Nutritional status, infant
An underweight infant with localized alopecia (Molitor). 1988;14:392

O

Organophosphates; *see* **Insecticides, organophosphate**

P

Pancreatitis
Acute pancreatitis (Moorhouse et al). 1988;14:387-91
Patient care guidelines; *see also* **Standardized care plans**
Patient care guidelines. 1988;14:253-9, 320-3, 387-91
Patient care planning
Standardized care plans: legal implications (George and Quattrone). 1988;14:183-4
Patient compliance
Improving compliance with referrals from the emergency department (Jones et al). 1988;14:27-9
Pediatrics; *see also* **Emergency medical services, child**
The ABCs of pediatric triage (Thomas). 1988;14:154-9
After the rescue: ED nurses reflect on Jessica McClure and the miracle in Midland, Texas (Jezierski). 1988; 14:120-2
Basic pediatric cardiopulmonary resuscitation (CPR) update (Fredrickson). 1988;14:76-81
